I have a couple of acorn crafts that I need to get out of my system. I am going to call them fall crafts and not Christmas, but I guess you could use them for Christmas as well. But I want to make fall feel special too and not just ignored between Halloween and Thanksgiving.

So here is to you fall!

I am on a bit of an acorn kick this fall. Allow me to demonstrate. I made these in my clay class for my Christmas tree.

But back to the gift wrap.

Print out the oak gift wrap and trim off the edges - unless you have a printer that prints all the way out to the edges. Cut out the two pieces for the acorn and glue it together. Punch a hole in it if you want.

Needless to say this is for small gifts. However, I was easily able to wrap [a gift box of this size](#).

I wrapped the gift with [twine \(similar\)](#).
